

OFFICE OF THE GOVERNOR
HAGÅTÑA, GUAM 96910
U.S.A.

EXECUTIVE ORDER NO. 2014- 19

RELATIVE TO ESTABLISHING THE
GUAM CYBER SECURITY WORKING GROUP

WHEREAS, attacks and threats within cyberspace and to information security are emergent concerns globally; and

WHEREAS, securing government as well as private sector data protected by federal and local statutes, critical communications and information infrastructure is a significant security priority of the Calvo-Tenorio administration; and

WHEREAS, an advisory governance and authority structure for cyber security is necessary in order to assist the government and stakeholders in keeping technologies safe from disruption, unauthorized access, or other kinds of interference; and

WHEREAS, the residents of Guam will best be served by a cyber security working group whose mandate shall be, in part, to develop an interdisciplinary approach among all levels of government and in collaboration with the private sector strategic policy recommendations to improve the island's cyber security posture.

NOW, THEREFORE, I, EDDIE BAZA CALVO, I Maga'låhen Guåhan, Governor of Guam, by virtue of the authority vested by the Organic Act and laws of Guam do hereby order and direct as follows:

1. **Creation of the Guam Cyber Security Working Group.** There is hereby established and created within the Guam Homeland Security/Office of Civil Defense, and in collaboration with the Office of Technology, the Guam

Cyber Security Working Group (GCSWG), which shall consist of a representative from the following Government of Guam departments and agencies:

- a. Guam Homeland Security/Office of Civil Defense;
- b. Department of Administration / Office of Technology;
- c. Department of Revenue and Taxation;
- d. Guam Police Department;
- e. Guam Fire Department; and
- f. Department of Public Health and Social Services

An invitation to participate in the GSWG may also be extended to other appropriate Government of Guam agencies, U.S. Government agencies, and private business on Guam, including:

Department of Military Affairs - Guam National Guard;
Guam Power Authority;
Guam Waterworks Authority;
Guam International Airport Authority;
Guam Department of Education;
Port Authority of Guam;
Office of the Attorney General;
Joint Region Marianas;
Joint-Task Force/Homeland Defense (USPACOM)
Federal Bureau of Investigation;
Telecommunications firms; and
Financial institutions.

2. **Duties of the GCSWG.** The duties of the GCSWG shall include, but are not limited to, the following:

- a. To provide strategic policy recommendations and a comprehensive approach on how best to defend and secure critical and sensitive government and private sector information and communications infrastructure;
- b. To promote cyber security awareness and digital literacy;
- c. To assist the HSA, CTO, and GCSWG in creating or enhancing shared situational awareness of network vulnerabilities, threats and how to reduce current vulnerabilities and threats and prevent intrusions; and

d. To assist the HSA, CTO and GCSWG in expanding cyber security education, coordination and research strategies to address cyber security on Guam.

3. **GCSWG Executive Committee.** An Executive Committee consisting of the following members is established: (a) the Governor's Homeland Security Advisor; (b) the Chief Technology Officer; and (c) the Chief of the Guam Police Department.

The Governor shall appoint a Chair and Co-Chair of the GCSWG who shall also serve as Chair and Co-Chair of the GCSWG Executive Committee.

4. **Subcommittees.** The GCSWG may establish subcommittees to advise the GCSWG on specific issues. The GCSWG shall review the recommendations of the subcommittees and may establish rules, regulations, and policies for its governance.

5. **Meetings.** The GCSWG shall meet, at a minimum, each quarter at the call of the Chair or Co-Chair. Additionally, the Chair or Co-Chair may call meetings whenever necessary.

SIGNED AND PROMULGATED at Hagåtña, Guam this 12th day of December, 2014.

EDDIE BAZA CALVO
I Maga'Låhen Guåhan
Governor of Guam
