GOVERNMENT OF GUAM  
Department of Public Works  
Garbage Regulations #2  
General

Pursuant to the authority vested in the Director of Public Works by Section 9300.50, Government Code, in conjunction with Section 9600.11, Government Code, the following rules and regulations are hereby prescribed:

Section 1. Scope. These regulations apply to the collection of garbage and rubbish and the establishment of collection areas.

Section 2. Definition. "Director" means the Director of Public Works.

Section 3. Collections. Responsibility. It shall be the responsibility of the Director to see that garbage and rubbish are collected in all collection areas as necessary according to circumstances.

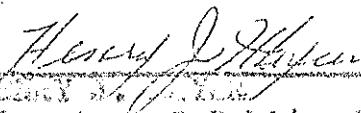

Section 4. Collection Areas. The areas in which garbage and rubbish will be collected are those areas designated as "organized villages" on Land Management Drawing No. 61-5379, dated July 23, 1953 and adopted by Executive Order No. 2-53, dated October 14, 1953.

Section 5. Collection Service on Non-Residential Premises. Garbage and rubbish collection services shall not be provided for non-residential premises until the owner, tenant or licensee of such premises has filed an application with the Department of Public Works and has complied with the provisions of Garbage Regulation #1.

Section 6. Same: Discontinuance and Resumption of Service. Upon receipt of notice from the Director of Finance, or his delegate, that a customer has failed to make

his payment on the due date, the Director shall immediately discontinue the garbage and rubbish collection service to such customer. Service will be resumed by the Director only upon receipt of due notice from the Director of Finance, or his delegate, to so resume such service.

Section 7. These regulations may be cited as DPH-642 (Department of Public Works - Garbage Regulations #2).
