A release from the Governor's Office • Contact Phill Leon Guerrero at 929-7467 or Phillip.Leonguerrero@Guam.gov

“Now that we have taken care of the deficit and reigned in spending, our administration will make good on promises to hardworking government employees. We already have paid many merit bonuses for current employees. Today, we will begin to pay our former employees who have been waiting too long for their just compensation.”

– Governor Eddie Baza Calvo

Bonus Checks to be Mailed

Former government line-agency employees will get long-awaited merit bonuses. About 1,300 people will be receiving checks. The Department of Administration will mail these bonuses this afternoon (Friday). These bonuses are for former employees since 1991 who have:

- Retired from government service;
- Have resigned from government service or otherwise left their positions;
or
- Have transferred to an autonomous agency

DOA requests recipients allow up to a week for the checks to go through the postal service. **A list of bonus recipients can be viewed in this week's PROA Newsletter. [Click HERE](#) to view the newsletter and the meritorious bonus listing.**

An additional 300 employees are also eligible for bonuses. Their checks will be mailed out once DOA reconciles their personnel files.

Guidelines from DOA

DOA issues the following reminders to former employees:

If you don't receive your check in the mail, it may be because it was sent to your old address. Please stop by the Department of Administration's Division of Accounts to fill out an affidavit to have the check cancelled and reissued to your current address. Please remember to bring in a valid photo identification. **[Click here to download an affidavit.](#)**
