Hafa Adai Jasmine,

As stated in my phone call earlier, the cost is 10c for the first page of any document and 2c for any page thereafter. Each email will be treated as a separate document. This would be the cost whether it is transmitted electronically or otherwise as the Sunshine Law allows for a "copying" fee.

Please resubmit your request with the narrowed down subject or topic. It would help to suggest search words.

Thank you.

Thank you for your call earlier today. I'm looking for electronic copies of the emails, as stated in the request. If copies are electronic, what would be the cost?

Also, in the spirit of cooperation, to narrow the request I am seeking copies of emails related to quarantine for the same time period.

Thanks very much

This is great! I've never been supportive of any exception to the Gov's transfer authority, but politics always prevailed.

But looking at the list, I don't see GDOE and Mayor's Council. Was that an intended omission?

I also didn't know Commission on Decolonization and OTECH were exempted from Gov's transfer. In any case, I would not include these 2 agencies on this list, unless the Gov specifically approved it. I believe she had other plans for the funds lapsing in those agencies.

Thank you.

FYI, Governor LG approved of funding the \$4 M needed for hotel quarantine from these agencies who are normally outside her GF Transfer Authority.

Given the PH Emergency, the Governor can tap GF funds for agencies normally outside her Transfer Authority

There are a couple GF line agencies included in the list, Otech and Decolonization etc etc

Thank you!

Hafa Ådai Mr. Leon Guerrero,

Please accept this email as an interim acknowledgment of your donation of surgical masks to the Governor and Lt. Governor in support of the government's response to COVID-19. The surgical masks were distributed to the Governor's Physicians Advisory Group, our medical and law enforcement frontline, and volunteers at the government's designated quarantine facilities.

Please know that your generosity is greatly appreciated and has contributed to the important work of responding to this pandemic on Guam. *Si Yu'os ma'åse!*

Pardon me, the email address for Chief of Staff Tony Babauta I used in the initial email bounced back, so I'm trying this version of it. I also forgot to copy the U.S. Attorney's Office in the original email. The FOIA request remains the same.
