The Honorable Lourdes A. Leon Guerrero

Ref: TVC 20-026

I Maga'hågan Guåhan [Governor of Guam]

Office of the Governor

Ricardo J. Bordallo Governor's Complex

Adelup, Guam 96910

Subject: Sunshine Law Request

Hafa Adai Governor Leon Guerrero,

The stated purpose of the Vigilance Committee is to require compliance with the Open Government Law and the Sunshine Reform Act by public officials and government representatives; and to promote ways to improve the dissemination and disclosure of information to the general public, including, but not limited to, the following: detecting violations; causing the enforcement thereof; and working on strengthening the laws of disclosure on all fronts.

On behalf of the Vigilance Committee, we must protest in the strongest manner paragraph 5 of your Executive Order 2020-06, which states:

“5. Suspension of Certain provisions of the Open Government Law. The application of Sections 8103, 8107, 8108, 8109, 8110, 8114 and 8115 of Title 5 of the Guam Code Annotated are temporarily suspended until April 13, 2020. To ensure the public is well-informed in this time of emergency, public agencies shall document their meetings in minutes and continue compliance with Section 8113.1, Title 5 of the Guam Code Annotated. Actions taken at meetings of public agencies without compliance with all provisions of the Open Government Law shall not be effective until compliance with Section 8113.1, Title 5 of the Guam Code Annotated.”

While your executive order purportedly suspends the operation of seven (7) sections of the Open Government Law the practical effect is to gut completely the Open Government Law. The effect of the suspension of 5 GCA § 8115. Penalties and Court Jurisdiction. and § 8114. Action Voided. is that every board or commission can violate every section of the Open Government Law, including § 8113.1. Reporting Requirement. and § 8111. Executive Sessions. with impunity.

With the suspension of 5 GCA § § 8107, 8108, 8109 and 8110 (each of which requires that the public be given notice of board and commission meetings because no one would know when a board or commission is meeting your executive order's reference to § 8113.1. Reporting Requirements.) is at best illusory since no one could be aware of what should have been reported. Coupled with the suspension of 5 GCA § 8114. Action Voided. any board and commission can meet without running the risk of public participation and thus your executive order has created a situation which encourages abuse of public trust.

Because of the interplay of the operation of the sections of the Open Government Law which you have suspended here's the situation you have created:

- Every board and commission can meet this afternoon without giving notice to anyone.
- Every board and commission can meet this afternoon and proceed to executive session conduct such business as it would have in the absence of the law.
- Every board and commission can meet this afternoon and exercise all the powers available to it, including raising salaries, levying fines, adjudicating cases or any of the other myriad of powers entrusted to it by law or rule.
- Because you suspended the operation of 5 GCA § 8114. Action Voided. these otherwise void acts would be completely legal.
- Because you have suspended the operation of 5 GCA § 8115. Penalties and Court Jurisdiction. the public is without recourse and there are no civil or criminal penalties of board members and commissioners who were if not for your executive order would be subject to punishment.
- Because you have suspended the operation of 5 GCA § 8115. Penalties and Court Jurisdiction. there are no civil or criminal penalties of board members and commissioners who were if not for your executive order would be subject to punishment for not reporting to you and the Speaker, and for not posting on the Office of Public Accountability (OPA) website.
- In short, your executive order has *de facto* repealed the Open Government Law and opened the door for, what in light of violations of law by the Consolidated Commission on Utilities (CCU) and the Guam Housing and Urban Renewal Authority (GHURA) Commissioners, allows intolerable mischief.

While dealing with COVID 19 requires measures that would not be contemplated in ordinary circumstances, draconian measures that abolish, even temporarily, the public's right to know what it's government is doing cannot pass without the most strenuous objection of the Vigilance Committee, reference 5 GCA § 8102 of the Open Government Law:

The Legislature declares it is the policy of this Territory that the formation of public policy and decisions is public and **shall not be conducted in secret**. The people of Guam do not yield their individual rights to the public agencies which serve them. The people, in delegating authority, do not give their public servants the right to decide what is good for the people to know and what is not good for them to know. **The people insist on remaining informed** so that **they may retain control** over the instruments they have created.

Governor, you used a meat axe instead of a scalpel in dealing with the Open Government Law. A simple modification of the first sentence of 5 GCA § 8103 would allow boards and commissions to conduct business while doing vigilance to the Open Government Law and at the same time maintain the necessary "social distancing" necessary.

5 GCA § 8103. Open Meetings. (a) Every meeting of a public agency shall be open and public, and any person shall be permitted to attend any public agency meeting, except as otherwise provided in this Chapter....

An executive order modifying the highlighted language would be enough. Something like:

Notwithstanding the provisions of the first sentence of 5 GCA § 8103 boards and commissions shall enforce social distancing rules.

Governor, we beseech you to revoke paragraph 5 of your Executive 2020-06.

Nothing above shall consent to the acquiescence of the appearance of *supra* of the operation of Executive Order 2020-06. The Vigilance Committee reserves all rights to take any effort necessary to object in the strongest manner paragraph 5 of Executive Order 2020-06.

Therefore, pursuant to the authority granted by the Sunshine Reform Act, I hereby request a copy of any and all public records, citing specific sections of the Organic Act of Guam, laws, and rules and regulations, which grant you, the Governor Guam, the authority to suspend the Open Government Law in part or in whole.

I hereby request that the public records requested herein be transmitted via electronic mail to stayvigilantgu@gmail.com. Your assistance and consideration to this request is greatly appreciated. Should you have any further questions, you may contact me at 671-788-5532.

Respectfully submitted,

§1421i. Income tax

(a) Applicability of Federal laws; separate tax

The income-tax laws in force in the United States of America and those which may hereafter be enacted shall be held to be likewise in force in Guam: *Provided*, That notwithstanding any other provision of law, the Legislature of Guam may levy a separate tax on all taxpayers in an amount not to exceed 10 per centum of their annual income tax obligation to the Government of Guam.

(b) Guam Territorial income tax

The income-tax laws in force in Guam pursuant to subsection (a) of this section shall be deemed to impose a separate Territorial income tax, payable to the government of Guam, which tax is designated the "Guam Territorial income tax".

(c) Enforcement of tax

The administration and enforcement of the Guam Territorial income tax shall be performed by or under the supervision of the Governor. Any function needful to the administration and enforcement of the income-tax laws in force in Guam pursuant to subsection (a) of this section shall be performed by any officer or employee of the government of Guam duly authorized by the Governor (either directly, or indirectly by one or more redelegations of authority) to perform such function.

(d) "Income-tax laws" defined; administration and enforcement; rules and regulations

(1) The income-tax laws in force in Guam pursuant to subsection (a) of this section include but are not limited to the following provisions of the Internal Revenue Code of 1986, where not manifestly inapplicable or incompatible with the intent of this section: Subtitle A [26 U.S.C. 1 et seq.] (not including chapter 2 [26 U.S.C. 1401 et seq.] and section 931 [26 U.S.C. 931]); chapters 24 and 25 of subtitle C [26 U.S.C. 3401 et seq. and 3501 et seq.], with reference to the collection of income tax at source on wages; and all provisions of subtitle F [26 U.S.C. 6001 et seq.] which apply to the income tax, including provisions as to crimes, other offenses, and forfeitures contained in chapter 75 [26 U.S.C. 7201 et seq.]. For the period after 1950 and prior to the effective date of the repeal of any provision of the Internal Revenue

Code of 1939 which corresponds to one or more of those provisions of the Internal Revenue Code of 1986 which are included in the income-tax laws in force in Guam pursuant to subsection (a) of this section, such income-tax laws include but are not limited to such provisions of the Internal Revenue Code of 1939.

(2) The Governor or his delegate shall have the same administrative and enforcement powers and remedies with regard to the Guam Territorial income tax as the Secretary of the Treasury, and other United States officials of the executive branch, have with respect to the United States income tax. Needful rules and regulations not inconsistent with the regulations prescribed under section 7654(e) of the Internal Revenue Code of 1986 [26 U.S.C. 7654(e)] for enforcement of the Guam Territorial income tax shall be prescribed by the Governor. The Governor or his delegate shall have authority to issue, from time to time, in whole or in part, the text of the income-tax laws in force in Guam pursuant to subsection (a) of this section.

(3) In applying as the Guam Territorial income tax the income-tax laws in force in Guam pursuant to subsection (a) of this section, the rate of tax under sections 871, 881, 884, 1441, 1442, 1443, 1445, and 1446 of the Internal Revenue Code of 1986 [26 U.S.C. 871, 881, 884, 1441, 1442, 1443, 1445, and 1446] on any item of income from sources within Guam shall be the same as the rate which would apply with respect to such item were Guam treated as part of the United States for purposes of the treaty obligations of the United States. The preceding sentence shall not apply to determine the rate of tax on any item of income received from a Guam payor if, for any taxable year, the taxes of the Guam payor were rebated under Guam law. For purposes of this subsection, the term "Guam payor" means the person from whom the item of income would be deemed to be received for purposes of claiming treaty benefits were Guam treated as part of the United States.

(e) Substitution of terms

In applying as the Guam Territorial income tax the income-tax laws in force in Guam pursuant to subsection (a) of this section, except where it is manifestly otherwise required, the applicable provisions of the Internal Revenue Codes of 1986 and 1939, shall be read so as to substitute "Guam" for "United States", "Governor or his delegate" for "Secretary or his delegate", "Governor or his delegate" for "Commissioner of Internal Revenue" and "Collector of Internal Revenue", "District Court of Guam" for "district court" and with other changes in nomenclature and other language, including the omission of inapplicable language, where necessary to effect the intent of this section.

(f) Criminal offenses; prosecution

Any act or failure to act with respect to the Guam Territorial income tax which constitutes a criminal offense under chapter 75 of subtitle F of the Internal Revenue Code of 1986 [26 U.S.C. 7201 et seq.], or the corresponding provisions of the Internal Revenue Code of 1939, as included in the income-tax laws in force in Guam pursuant to subsection (a) of this section, shall be an offense against the government of Guam and may be prosecuted in the name of the government of Guam by the appropriate officers thereof.

(g) Liens

The government of Guam shall have a lien with respect to the Guam Territorial income tax in the same manner and with the same effect, and subject to the same conditions, as the United States has a lien with respect to the United States income tax. Such lien in respect of the Guam Territorial income tax shall be enforceable in the name of and by the government of Guam. Where filing of a notice of lien is prescribed by the income-tax laws in force in Guam pursuant to subsection (a) of this section, such notice shall be filed in the Office of the Clerk of the District Court of Guam.

(h) Jurisdiction of District Court; suits for recovery or collection of taxes; payment of judgment

(1) Notwithstanding any provision of section 1424 of this title or any other provision of law to the contrary, the District Court of Guam shall have exclusive original jurisdiction over all judicial proceedings in Guam, both criminal and civil, regardless of the degree of the offense or of the amount involved, with respect to the Guam Territorial income tax.

(2) Suits for the recovery of any Guam Territorial income tax alleged to have been erroneously or illegally assessed or collected, or of any penalty claimed to have been collected without authority, or of any sum alleged to have been excessive or in any manner wrongfully collected, under the income-tax laws in force in Guam, pursuant to subsection (a) of this section, may, regardless of the amount of claim, be maintained against the government of Guam subject to the same statutory requirements as are applicable to suits for the recovery of such amounts maintained against the United States in the United States district courts with respect to the United States income tax. When any judgment against the government of Guam under this paragraph has become final, the Governor shall order the payment of such judgments out of any unencumbered funds in the treasury of Guam.

(3) Execution shall not issue against the Governor or any officer or employee of the government of Guam on a final judgment in any proceeding against him for any acts or for the recovery of money exacted by or paid to him and subsequently paid into the treasury of Guam, in performing his official duties under the income-tax laws in force in Guam pursuant to subsection (a) of this section, if the court certifies that—

(A) probable cause existed; or

(B) such officer or employee acted under the directions of the Governor or his delegate.

When such certificate has been issued, the Governor shall order the payment of such judgment out of any unencumbered funds in the treasury of Guam.

(4) A civil action for the collection of the Guam Territorial income tax, together with fines, penalties, and forfeitures, or for the recovery of any erroneous refund of such tax, may be brought in the name of and by the government of Guam in the District Court of Guam or in any district court of the United States or in any court having the jurisdiction of a district court of the United States.

(5) The jurisdiction conferred upon the District Court of Guam by this subsection shall not be subject to transfer to any other court by the legislature, notwithstanding section 1424(a) of this title.

Until the laws of Guam shall make such provision the method of electing the legislature shall remain as it is upon the date of enactment of this Act."

§1423a. Power of legislature; limitation on indebtedness of Guam; bond issues; guarantees for purchase by Federal Financing Bank of Guam Power Authority bonds or other obligations; interest rates; default

The legislative power of Guam shall extend to all rightful subjects of legislation not inconsistent with the provisions of this chapter and the laws of the United States applicable to Guam. Taxes and assessments on property, internal revenues, sales, license fees, and royalties for franchises, privileges, and concessions may be imposed for purposes of the government of Guam as may be uniformly provided by the Legislature of Guam, and when necessary to anticipate taxes and revenues, bonds and other obligations may be issued by the government of Guam: *Provided, however,* That no public indebtedness of Guam shall be authorized or allowed in excess of 10 per centum of the aggregate tax valuation of the property in Guam. Bonds or other obligations of the government of Guam payable solely from revenues derived from any public improvement or undertaking shall not be considered public indebtedness of Guam within the meaning of this section. All bonds issued by the government of Guam or by its authority shall be exempt, as to principal and interest, from taxation by the Government of the United States or by the government of Guam, or by any State or Territory or any political subdivision thereof, or by the District of Columbia. The Secretary of the Interior (hereafter in this section referred to as "Secretary") is authorized to guarantee for purchase by the Federal Financing Bank bonds or other obligations of the Guam Power Authority maturing on or before December 31, 1978, which shall be issued in order to refinance short-term notes due or existing on June 1, 1976 and other indebtedness not evidenced by bonds or notes in an aggregate amount of not more than \$36 million, and such bank, in addition to its other powers, is authorized to purchase, receive or otherwise acquire these same. The interest rate on obligations purchased by the Federal Financing Bank shall be not less than a rate determined by the Secretary of the Treasury taking into consideration the current average market yield on outstanding marketable obligations of the United States of comparable maturities, adjusted to the nearest one-eighth of 1 per centum, plus 1 per centum per annum. The Secretary, with the concurrence of the Secretary of the Treasury, may extend the guarantee provision of the previous sentence until December 31, 1980. The Secretary, upon determining that the Guam Power Authority is unable to refinance on reasonable terms the obligations purchased by the Federal Financing Bank under the fifth sentence of this section by December 31, 1980, may, with the concurrence of the Secretary of the Treasury, guarantee for purchase by the Federal Financing Bank; and such bank is authorized to purchase, obligations of the Guam Power Authority issued to refinance the principal amount of the obligations guaranteed under the fifth sentence of this section. The obligations that refinance such principal amount shall mature not later than December 31, 1990, and shall bear interest at a rate determined in accordance with section 2285 of title 12. At the request of the Board of Directors of the Guam Power Authority for a second refinancing agreement and conditioned on the approval of the Government of Guam pursuant to the law of Guam, and conditioned on the establishment of an independent rate-making authority by the Government of Guam, the Secretary may guarantee for purchase by the Federal Financing Bank, on or before December 31, 1984, according to an agreement that shall provide for—

- (a) substantially equal semiannual installments of principal and interest;
- (b) maturity of obligations no later than December 31, 2004;
- (c) authority for the Secretary, should there be a violation of a provision of this legislation, or covenants or stipulations contained in the refinancing document and after giving sixty days notice of such violation to the Guam Power Authority and the Governor of Guam, to dismiss members of the Board of Directors or the general manager of the Guam Power Authority, and (1) appoint in their place members or a general manager who shall serve at the pleasure of the Secretary, or (2) contract for the management of the Guam Power Authority; and
- (d) an annual simple interest rate of seven per centum; and

the Federal Financing Bank shall purchase such Guam Power Authority obligations if such Guam Power Authority obligations are issued to refinance the principal amount scheduled to mature on December 31, 1990. Should such second refinancing occur, (1) the independent rate-making authority to be established by the Government of Guam, or in its absence, the Board of Directors of the Guam Power Authority, shall establish rates sufficient to satisfy all financial obligations and future capital investment needs of the Guam Power Authority that shall be consistent with generally accepted rate-making practices of public utilities, and (2) the Government of Guam shall not modify the requirements of

such refinancing agreement without agreement of the Secretary. There are authorized to be appropriated to the Secretary of the Interior for payment to the Federal Financing Bank such sums as are necessary to pay (1) the repurchase payment required under the fifth paragraph of the December 31, 1980, note from the Guam Power Authority to the Federal Financing Bank and any subsequent repurchase payments required under the second refinancing agreement, and (2) the interest rate differential between the seven per centum to be paid by the Guam Power Authority and the second refinancing agreement and the interest rate that would otherwise be determined in accordance with the above cited section 2285 of title 12. Should the Guam Power Authority fail to pay in full any installment of interest or principal when due on the bonds or other obligations guaranteed under this section, the Secretary of the Treasury, upon notice from the Secretary shall deduct and pay to the Federal Financing Bank or the Secretary, according to their respective interests, such unpaid amounts from sums collected and payable pursuant to section 1421h of this title. Notwithstanding any other provision of law, Acts making appropriations may provide for the withholding of any payments from the United States to the government of Guam which may be or may become due pursuant to any law and offset the amount of such withheld payments against any claim the United States may have against the government of Guam or the Guam Power Authority pursuant to this guarantee. For the purpose of this chapter, under section 3713(a) of title 31 the term "person" includes the government of Guam and the Guam Power Authority. The Secretary may place such stipulations as he deems appropriate on the bonds or other obligations he guarantees.
