Please know I shared with you what was discussed and presented originally with Tim. I understand you will need to renegotiate some, of not all of the terms. I only shared with them the new rate of \$100 all inclusive and that we would finalize the terms today with legal counsel.

Thanks,

Mary

Hafa Adai GHRA Members,

Earlier today, the Joint Information Center sent out the Mandatory Quarantine Protocol for Manila and Non-Manila Travelers and the Travel Guidance and Quarantine Protocol. Please see attached.

Please know GHRA and Guam Visitors Bureau met to discuss the specific protocols and will forward a Frequently Asked Questions document later today. For the last two weeks, GHRA has been working closely with some of the hotels to identify mass quarantine locations.

Please immediately respond to the following two questions via email [info@ghra.org](mailto:info@ghra.org).

1. In light of the recent travel restrictions, will your hotel continue to accept asymptomatic non-resident travelers already booked at your hotel?

*Note: Any guests denied entry will be relocated to a Government-approved mass quarantine facility.*

a) If you are accepting these travelers, will you accept other asymptomatic non-resident travelers at your property not booked at your hotel?

2. Are you willing to offer your property to serve as a mass quarantine facility contracted with the Government of Guam?

Should you have any questions, please contact Mary Rhodes at 687-3633 or via email [president@ghra.org](mailto:president@ghra.org).
