Re: Freedom of Information Act Request – Asset Inventory Documents and Related Records

Håfa Adai Senator Blas,

We are in receipt of your Freedom of Information Act (“FOIA”) request dated September 11, 2023, received by the Office of the Governor, relative to the following:

1. A list of all buildings and structures either owned or leased inclusive of structure type and physical address.
2. A list of all critical material assets (ie ... vehicles, computers, and equipment critical to the operations of the agency).
3. Identify what type of insurance covers each building and critical asset (damaged, destroyed, theft, or loss of use, and if coverage is common type of self-insured)
4. Copy of Continuity of Operations Plan (where will operations resume should a facility be deemed destroyed or unable to occupy).
5. Copy of Continuity of Command Plan (who assumes authority and control should the agency head or critical person become unexpectedly incapacitated or unavailable).

Pursuant to 5 GCA § 10103(e)(2), the deadline to submit documents was extended from September 15, 2023 to September 25, 2023. We have searched our records in accordance with the Sunshine Reform Act of 1999, and have attached responsive documents relative to your request.

Senseramente,

Jean Taitano
Special Assistant
Office of the Governor
