RE: Request for Public Records Pursuant to Sunshine Reform Act of 1999, 5 GCA §10101, *et seq.*

Hafa Adai Mr. Olan,

This is in response to your letter made on April 17, 2023, pursuant to the Sunshine Reform Act of 1999, otherwise known as the Freedom of Information Act ("FOIA"), 5 GCA, Chapter 10, received via Central Files. Specifically, you made the following request:

- 1. All federal agreements between the Federal Emergency Management Agency—and/or any other federal agencies—and Guam relating to the disbursement of federal monies to Guam for COVID related expenditures, including but not limited to, the quarantining of travelers to Guam at local Guam hotels; and
- 2. A signed and fully executed copy of all agreements between Guam and the Pacific Star Resort & Spa—also known as Marianas Properties, LLC—for the quarantining of travelers to Guam.

On April 21, 2023, the Office of the Governor requested an extension to provide responsive documents no later than May 1, 2023.

Enclosed are the responsive documents, which were obtained upon conducting a thorough and diligent search in accordance with Guam law. For the record, the Guam Homeland Security – Office of Civil Defense ("GHS-OCD") received the very same FOIA request, in substance, on April 17, 2023; thus, the documents enclosed are inclusive of GHS-OCD's response to your request.

Senseramente,
