SCOPE OF WORK:

PA-09-GU-4495-PW-00001(0):

385392 Project #139423 Dept of Agriculture, Facilities, PPE, and Security Services COVID - 19

Work Completed – Streamlined COVID-19 Application

In response to the COVID-19 Public Health Emergency the applicant, Department of Agriculture, utilized force account labor and materials to take Emergency Protective Measures through disinfecting facilities, purchasing PPE and and providing security to government quarantine facilities.

All work and costs in this project fall between 03/28/2020 and 05/09/2020.

FEMA will not approve PA funding that duplicates funding or assistance provided by another Federal agency, including the U.S. Department of Health and Human Services, Centers for Disease Control and Prevention, and the United States Department of Agriculture.

The level of disinfection work proposed for Healthcare and other public facilities needs to comply with the Centers for Disease Control and Prevention (CDC) recommendations for Healthcare or Community Facilities that have been occupied or visited by those Suspected or Confirmed of having Coronavirus Disease 2019. For any additional, non-routine disinfection work undertaken by the Applicant, the Applicant must demonstrate that the work was taken at the direction or guidance of a Public Health Official and that it complies with CDC recommendations for disinfection of subject Facilities

FEMA will only reimburse for PPE/medical supplies and equipment provided to and used by Applicants and essential workers as necessary to prevent the spread of infection as directed by public health officials not to exceed the duration of the HHS public health emergency declaration for COVID-19.

Approval of funding for the purchase of PPE is conditioned upon the Applicant meeting the following requirements prior to close-out and/or final version for expedited projects:

1. The Recipient, and any sub-recipient funded through this and associated subgrants, must provide an internal control plan for accounting for intake, distribution, tracking, and handling of excess commodities and personal protective equipment (PPE) funded by this and associated prior subgrants for the same purpose. Handling of excess must comply with 2 CFR § 200.314 (supplies) and 2 CFR § 200.313 (equipment).
2. The Recipient and any sub-recipient must provide the current burn rate for each identified category of PPE under this and associate subawards purchased (for example, N95 masks, surgical masks, and gowns)
3. The Recipient and any sub-recipient must provide a current accounting of previously distributed PPE under this and associate subawards by jurisdiction or entity (i.e. by local government, hospital system, etc.).
