RE: Freedom of Information Act Request

Hafa Adai Senator Barnett,

We are in receipt of your Freedom of Information Act ("FOIA") request dated July 11, 2023, which was submitted via email and included the following request:

We have searched our records in accordance with the Sunshine Reform Act of 1999, and have attached responsive documents relative to your request. Other than a few scheduling emails and emails on how public participation or community feedback will be obtained, the bulk of responsive documents are publicly available documents.

Senseramente,
